Updates

- It was a once-in-a-lifetime opportunity and enormous honor to host the National Main Street Conference in Birmingham this year! Several Montevallo Main Street board and committee members volunteered at the conference. We also broke the record attendance this year, coming in at around 2,000 attendees. Thank you to our Montevallo volunteers for representing us so well!
- On Sunday, May 4, 15 attendees from the Main Street Now conference attended the "Main Streets in Shelby County" tour, visiting Calera, Montevallo, and Columbiana. The Montevallo portion of the tour began with a speech from John Adams at American Village and information about the Village's impact on tourism; followed by a stop at the Center for the Arts to discuss the arts as an economic engine; then a visit to the Main Street Tavern, Fallin Hall, and Owl's Cove Park to cover the Montevallo Development Cooperative District and a review of these creative reuse projects; followed by an hour for lunch downtown; and ending with a stop at Orr Park and a meet and greet with Tim Tingle. Attendees came from all over the United States, including some from Michigan, Utah, Texas, Arkansas, and Colorado. One had such a great time that she told her traveling companion she must visit Montevallo on her way home to Arkansas!
- On Monday of the Main Street Now conference last week, our Executive Director Courtney Bennett and DRUM the Program Executive Director/Main Street Promotion Committee member Elvie Schooley gave a 45-minute presentation on the conference's Welcoming & Belonging, Equity & Inclusion track called "Building Bridges Between Diverse Cultures in Your Community." Courtney and Elvie discussed how to create special events using music and food as the catalyst to build relationships, using partnerships with DRUM the Program as well as Dia de los Muertos as case studies. The presentation was well-received by the nearly 40 attendees to the session, who offered valuable comments and feedback relating the topic to their own communities.
- The 2024 Shelby County Small Business of the Year Awards luncheon will be held on Wednesday, May 22, starting at 11:30 AM at the Pelham Civic Complex. Tickets are \$25 each for current investors and \$35 for future investors, available from the [Shelby County Chamber](#).
- Please make plans to join us on Friday, May 31, as Friday Nights at the Cove season continues! Join us in beautiful downtown Montevallo for an evening of live entertainment. Each event will feature a different musician at Owl's Cove Park (737 Main Street). This family-friendly, free admission event is the perfect way to kick off your weekend. Bring a chair or picnic blanket, grab dinner to-go from your favorite downtown restaurant, and make yourself at home on Main Street! Live music starts at 6:30 PM. Common Ground combines smooth three-part harmony with upbeat energy. With a set list of over 300+ songs, we bet they'll play one of your favorites! Sponsored by Alabama Custom Trailer and RV.

Funding

There is \$156.6 million in funding available through FY 2024 CHP. Each award will support up to 75 percent of an officer or deputy level salaries and fringe benefits for three years within a five-year period of performance to accommodate time needed for recruitment and hiring.

There is a minimum 25 percent local cash match (cost share) requirement, unless a waiver is approved. The maximum federal share for an officer position is \$125,000 over the three-year period, (not \$125,00 per year) unless a local match waiver is approved. Any additional costs for higher than entry-level salaries and fringe benefits will be the responsibility of the recipient agency.

The goal of the COPS Hiring Program (CHP) is to provide funding directly to law enforcement agencies to hire and/or rehire additional career law enforcement officers in an effort to increase their community policing capacity and crime prevention efforts. Applicants will be expected to describe their community policing strategy and request the number of newly hired and/or rehired full-time sworn career law enforcement officer positions necessary to support that strategy. COPS Office funding must be used to reorient the mission and activities of law enforcement agencies toward the community or enhance their involvement in community policing.
