- 🌈 **SAFE SCHOOLS CONFERENCE:** The Annual Safe Schools Conference was very informative, I came back with 12 legal size sheets of notes to share. Steve,
Yes on the black outline in durable vinyl for the Fire & Rescue sign.

Total cost for two sided sign with as shown in attachment would be \$1,325.00

The attachment is not exact, but will give an idea of the look for the sign. The "M" in the emblem would also be cut vinyl to match with the lettering of the sign.

Yes, there is a way to put a black border/outline on the letters if we print the job. BUT, I planned to use a vinyl with a longevity so you don't need to update the sign very often. This vinyl would not allow a black outline.
