Absent: James Long, Tonia Mayton

Bank balances (no change):

- UM Foundation: \$5,700
- Trustmark: \$1,141
- Cash: \$130
- City Budget: \$350

Updates/UM Connections:

- Greg Ryan is not interested in joining the board at this time, but may want to join in spring.
- Robert Herron's students are working on creating social media posts; they have logos and resources. Posts include what/who ValloCycle is, and why you might want to participate in a ValloCycle activity. Will have an update at next month's meeting.
- Wellness Week at UM will be October 29 – November 1. On Wednesday October 30, there will be a health fair from 12-4 at Anna Irvin. ValloCycle can have a table with handouts that one of his students could work if we get them the materials. Health fair is open to all faculty, staff, and students. Robert will be in the room during that event. Tabling items are in the shed. Table is provided by UM. We can hand out flyers—Courtney can create a QR code linking to the application; will also hand out maps. Robert can get our tablecloth and a bike. He will reach out closer to then to make arrangements to get materials.
- What dates would we like to offer bike maintenance events?
- Jamie heard back from Andrea Eckelman – ES Internship Mixer on 10/27 – we are invited to table at that event. Robert is available to go by there in the evening, and Jamie is available that day as well. Event will be from 5-7 PM.

Checkouts/Inventory:

- No updates.

Other business:

- We will purchase a key lock box for the annex. Courtney will facilitate.

Our next meeting: Thursday, November 7 at 6 PM at City Hall
